

## About the Artist:

Amy (Nelson) Ripp won several art awards in her hometown of La Crosse, WI, before earning a business degree in Marketing at UW-Madison. Almost a decade later, her love of art and sense of whimsy have taken form: creating beauty for others. A Madison resident, Amy's works include watercolors, pastels, acrylics, oils, faux finishes, glass art, pottery, found objects, and more.

## I. Custom Murals - painted on your walls!

Enhance any room with a mural — add sophistication, charm, or your own personal touch — your family & friends will be amazed!

### Getting on the same page:

Blue tape-lines show final layout from mural brainstorming session.

(3 x 8 ft.)

Dining rooms, kitchens, rec rooms, offices, halls, entryways, nurseries, kids rooms, baths & spas....

(6 x 3.5 ft.)

### Details, details...

Close-up of lilies in this intricate, densely detailed mural. Pictures are very helpful in the mural process: magazines, books, photos, etc. - I can "see" what you mean!

Simple, whimsical, earthy, detailed — your mural can be whatever you want.

Not the artsy type? Don't worry! Murals can be done in whatever way is right for you: 1) to your specifications, 2) with your help, or 3) sit back and have the artist design one to fit your home, décor & budget.

Amy makes it easy.

Simply elegant: A free-flowing enlargement of the shower curtain's pattern.

2 x 7 ft.

## II. Corporate Mural Installations

(5 x 14 ft.) Formerly in South Towne Sentry Foods, this mural may be available for purchase.

Restaurants & cafes, offices, churches, grocery stores, libraries, health clubs, hospitals, malls, daycares & more.

Murals add interest, drama, & a sense of inspiration for customers and employees.

### Some local color:

Madison's Allen Blvd. Sentry Foods showcases several of Amy's murals.

(3 ft. x 7 ft.)

## The Mural Process: Plan, Paint, Enjoy!

1. Consultation call/email: we'll discuss your mural needs & ideas, pictures, colors, size, location, & budget. We can also schedule our next 2 visits.
2. Mural brainstorming visit: the day before painting, to map out mural & finalize details.
3. Painting day: non-toxic acrylic paints, multiple drop cloths... Your excitement builds up to the unveiling.
4. Enjoy your beautiful custom painting!

(1 x 10 ft.)

## III. Faux-finishes & Decor

Sponge painting, rag rolling, washes and other techniques

## IV. Custom Paintings & Art

thoughtful gift ideas....
